What position(s) are you interested in running for? Treasurer
--

Why are you interested in serving on the MVJF&C Board? I am interested in serving on the Board because I want to see the program stay and flourish in our community. I want to see the program stay on budget and have an accurate account of the funds in our account at all times. I want to see fundraising taken to a higher level to ensure we keep the positive account that the 2006 board was able to create and maintain. I want to have a voice in how the coaching is chosen, creating a winning, rewarding and successful program for our kids. I want to make sure that our kids have coaching that will teach them and give them the skills to win football games and have the excitement of being on a team full of pride. I feel with more teaching, the kids are given the chance to gain skills and become a competitive player. I want to help create an environment where the kids are learning discipline in striving to do better and to become a better and competitive player. I will bring a fair and objective voice as part of the Maple Valley Junior Football and Cheer Board.

What benefits and/or experience do you bring to the program? I believe I can and will represent this position well. I have 12 years of experience in business management, accounting and bookkeeping as I manage and keep the books for our two Septic System Service and Construction contracting companies. I am skilled in creating detailed reports that account for all funds disbursements and receipts. I am trustworthy and will maintain an accurate accounting of all funds gathered by MVJF&C. I am highly organized in keeping books and will be able to report at each meeting the status of all receipts and disbursements. I will keep account of all check written and monies deposited in a manor that will be easily read by any board member at any time.

How long have you been affiliated with MVJF&C? This is our Fourth year with the program.

Do you have children in the program? If so how many and in what programs? Our family has been with the Maple Valley Junior Football program for four years now. My oldest son Kirk has gone thru all of the teams, he is a Bantam this year and will move up to midget's next. My youngest son Tyler is a Sweet Pea this year and will remain a Sweet Pea next year. My husband Darren is an assistant coach for the Sweet Pea team this year and hopes to help coach one of our son's teams again next year.
