**Phone:**

**What position(s) are you interested in running for?** Insurance Coordinator

**Why are you interested in serving on the MVJF&C Board?** I want to become more involved in the program that has benefited my two sons over the last two years. I feel that in order for any good program to grow it takes a lot of community support and involvement. I want to do my part to help MV Raider Football grow.

**What benefits and/or experience do you bring to the program?** I have been actively involved in the Maple Valley Recreational Sports organizations for over 7 years and have been involved in athletics in general my entire life. I was on four High School State Championship teams and two Collegiate Conference Championship teams. During my youth I was actively part of a recreational sports club organization that was highly successful. I know that it takes a lot of committed people that have the best interest of the children as their priority to make a program succeed. I am currently the Finance Manager for a large radiology practice. I have 11 years of Management experience and feel that I have the knowledge and ability to be help contribute to the MV Raider organization.
